1. This application is in condition for allowance except for the following formal matters:

a) Dependent claims 3 and 9, are **identical claims both depending from independent claim 1**. There are no other dependent claims depending from either claim 3 or 9, thus it appears that one of these claims needs to depend from a claim other than claim 1. Appropriate correction is required.

b) Claim 4, line 1, cites "...wherein in step ii is carried out by" however was this intended to be "...wherein step ii is carried out by" ? Appropriate correction is required.

c) The listing of claims in the reply filed 2-27-06 cites "Claims 10-34 cancelled" however as required by 37 C.F.R. 1.121 there are no parentheses around the status identifier "cancelled". Appropriate correction is required.

d) The amendments to the specification section of the reply filed 2-27-06 cites "Please add the following new paragraph after the paragraph before the Field of the Invention beginning at page 1, lines 8:" however is "after the paragraph before the Field of the Invention" referring to the paragraph containing the inventors names ? In addition, it appears that "...page 1, lines 8:" should be "...page 1, line 8:". Appropriate correction is required.

e) The information disclosure statements filed 7-23-01 and 2-27-06 fail to comply with 37 CFR 1.98(a)(3) because it does not include a concise explanation of the relevance, as it is presently understood by the individual designated in 37 CFR 1.56(c) most knowledgeable about the content of the information, of each patent listed that is

not in the English language. For the reason stated above, reference numbers 76, 78, 79, 81 and 82, were not considered.

f) The Brief Description of the Drawings refers to a Figure 4a and a figure 4b. However, these drawings are labeled as Fig. 4A and Fig. 4B (i.e. using capital letters) creating an inconsistency between the Brief Description of the Drawings and the Drawings. Appropriate correction is required.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
